Therefore, it is hereby agreed and covenanted by the parties to this instrument, as follows:

And if any conveyance shall be made of the lands set apart and allotted as herein provided, or any contract made touching the same before the expiration of the time above mentioned, such conveyance or contract shall be absolutely null and void.

Provided, That the laws of descent and partition in force in said Territory shall apply thereto after the first patents therefor have been executed and delivered.

ARTICLE V.

Approved, March 3, 1891.

By the act to define the jurisdiction of the police court of the District of Columbia.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That section ten hundred and forty-nine of the Revised Statutes of the United States relating to the District of Columbia be, and is hereby, amended so as to read as follows: The police court of the District of Columbia shall have original jurisdiction concurrently with the supreme court of the District of Columbia, of all crimes and offences hereafter committed against the United States, not capital or otherwise infamous, and not punishable by imprisonment in a penitentiary, committed within the District of Columbia, except libel conspiracy, and violations of the post office and pension laws of the United States; and also of all offences hereafter committed against the laws, ordinances, and regulations of the District of Columbia, and shall have power to examine and commit or hold to bail, either for trial or further examination, in all cases whether cognizable therein or in the supreme court of the District of Columbia.

SEC. 2. That prosecutions in the police court shall be on information by the proper prosecuting officer. In all prosecutions within the jurisdiction of said court in which according to the Constitution of the United States, the accused would be entitled to a jury trial the trial shall be by jury. And also in all prosecutions in which such persons would not be by force of the Constitution of the United States entitled to a trial by jury, but in which the fine or penalty may be fifty dollars or more or imprisonment for thirty days or more, the trial shall be by jury unless the accused shall, in open court, expressly waive such trial by jury and consent to a trial by the judge in which case the trial shall be by such judge, and the judgment and sentence shall have the same force and effect in all respects as if the same had been entered and pronounced on the verdict of a jury.

In all cases not hereinbefore in this section provided for, the trial shall be by a judge.

SEC. 3. That the jury for service in said court shall consist of twelve men, who shall possess the legal qualifications necessary for jurors in the Supreme court of the District of Columbia, and such jurors shall be drawn and selected under and in pursuance of the laws concerning the drawing and selection of jurors for service in said supreme court. The term of service of jurors drawn for service in said police court shall be for three successive monthly terms of said court, and, in any case on trial at the expiration of such time, until a verdict shall have been rendered or the jury shall be dis-

charged. The said jury terms shall begin on the first Monday in January, the first Monday in April, the first Monday in July, and the first Monday in October of each year, and shall terminate, subject to the foregoing provisions, on the last Saturday of each of said jury terms; and section eight hundred and seven of the Revised Statutes relating to the District of Columbia is hereby made applicable to and shall be in force in respect of said police court.

At least ten days before the term of service of such jurors shall begin, as in this act provided, such jurors shall be drawn in the manner in this act provided for, and at least twenty-six names so drawn shall be certified by the clerk of said supreme court to the said police court for service as jurors for the then ensuing jury term. Deficiencies in any panel of any such jury may be filled according to the law applicable to jurors in said supreme court, and for this purpose the said police judge shall possess all the powers of a judge of the supreme court of said district and of said court sitting in special term. No person shall be eligible for service on a jury in said police court for more than one jury term in any period of twelve consecutive months, but no verdict shall be set aside on such ground unless objection shall be made before the trial begins. Service in said jury shall not render any person so serving exempt, ineligible, or disqualified for service as a juror in said supreme court, except during his term of actual service in said police court. The marshal of said district, by himself or deputy, shall have charge of such jury, and for that purpose he may appoint an additional deputy who shall be paid three dollars a day while so employed.

SEC. 4. That in all cases tried before said court the judgement of the court shall be final, except as hereinafter provided. If upon the trial of any such cause an exception be taken by or on behalf of any defendant to any ruling or instruction of the court upon matter of law the same shall be reduced to writing and stated in a bill of exceptions, with so much of the evidence as may be material to the question or questions raised, which said bill of exceptions shall be settled and signed by the judge, and if, upon presentation to any justice of the supreme court of the District of Columbia of a verified petition setting forth the matter or matters so excepted to, such justice shall be of opinion that the same ought to be reviewed, he may allow a writ of error in the cause, which shall issue out of the said supreme court, addressed to the judge of the police court, who shall forthwith send up the information filed in the cause and a transcript of the record therein, certified under the seal of said court, to said supreme court in general term for review and such action as the law may require. Any defendant desiring the benefit of the provisions of this section shall give notice in open court of his intention to apply for a writ of error upon such exceptions, and thereupon proceedings therein shall be stayed for ten days, provided the defendant shall then and there enter into recognizance with sufficient surety, to be approved by the judge of the police court, conditioned that in the event of a denial of his application for a writ of error he will, within five days next after the expiration of said ten days, appear in said police court and abide by and perform its judgement, and that in the event of the granting of such writ of error he will appear in said supreme court of the District of Columbia and prosecute the writ of error and abide by and perform its judgement in the premises. Upon failure of any defendant to enter into the recognizance provided for in this section the sentence of the police court shall stand and be executed pending proceedings upon his application for a writ of error and until the final disposition thereof by the said supreme court.

SEC. 5. That if any such recognizance shall be forfeited the police court shall have power, on motion of the prosecuting officer, to issue

execution thereon for the amount of such recognizance against the recognizers, or any of them.

But said police court shall have power, on application made by the recognizers, or any of them, at any time before the final execution of such writ, to remit such amount of any such recognizance as he shall deem to be just, but not below the amount of any fine imposed and all the costs of the proceedings.

SEC. 6. That the President is hereby authorized to appoint, by and with the advice and consent of the Senate, an additional judge of the police court of the District of Columbia, learned in the law, who shall receive a salary of three thousand dollars per annum, to be paid in the same manner as now provided by law for payment of the judge of said court. The judge so appointed shall have and exercise all the powers possessed by the judge of said court as is or may be provided by law in common with said existing judge, and the business of said court may be carried on by each of said judges sitting separately and simultaneously.

The judges of the police court shall hold separate sessions, and they are empowered to make rules for the apportionment of the business therein, and the acts of each of said judges respecting the business of said court shall be deemed and taken to be the acts of the said court.

SEC. 7. That the judges of said court shall have power to appoint an additional baliff for said service in said court who shall receive three dollars for each day's attendance upon the court, to be paid upon the certificate of the judges and as the other baliffs of said court are now paid. The clerk of said court is hereby authorized, with the consent of the judges, to appoint an additional deputy clerk for service in said court, at a salary of one thousand five hundred dollars per annum, to be paid as the other deputy clerk of said court is now paid.

SEC. 8. Nothing in this act shall be deemed to affect proceedings in respect of any crime or offense heretofore committed; and the prosecution of all such crimes and offenses heretofore committed shall be proceeded with in the same manner and with the same effect to all intents and purposes as if this act had not been passed.

By the act to repeal timber-culture laws, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That an act entitled "An act to amend an act entitled 'An act to encourage the growth of timber on the Western prairies,'" approved June fourteenth, eighteen hundred and seventy-eight, and all laws supplementary thereto or amendatory thereof, be, and the same are hereby, repealed: *Provided,* That this repeal shall not affect any valid rights heretofore accrued or accruing under said laws, but all bona fide claims lawfully initiated before the passage of this act may be perfected upon due compliance with law, in the same manner, upon the same terms and conditions, and subject to the same limitations, forfeitures, and contests as if this act had not been passed: *And provided further,* That the following words of the last clause of section two of said act, namely, "That not less than twenty-seven hundred trees were planted on each acre," are hereby repealed: *And provided further,* That in computing the period of cultivation the time shall run from the date of the entry, if the necessary acts of cultivation were performed within the proper time: *And provided further,* That the preparation of the land and the planting of trees shall be construed as acts of cultivation, and the time authorized to be so employed and actually employed shall be computed as a part of the eight years of cultivation required by statute: *Provided,* That any person who has made entry of any public lands of the United States under the timber-culture laws, and who has for a period of four years in good faith complied with the provisions of said laws and who is an actual bona fide resident of the State or Territory in which said land is located shall be entitled to make final proof thereto, and acquire title to the same, by the payment of one dollar and twenty five cents per acre for such tract, under such rules and regulations as shall be prescribed by the Secretary of the Interior, and registers and receivers shall be allowed the same fees and compensation for final proofs in timber-culture entries as is now allowed by law in homestead entries: *And provided further,* That no land acquired under the provisions of this act shall in any event become liable to the satisfaction of any debt or debts contracted prior to the issuing of the final certificate therefor.

SEC. 2. That an act to provide for the sale of desert lands in certain States and Territories, approved March third, eighteen hundred and seventy-seven, is hereby amended by adding thereto the following sections:

SEC. 4. That at the time of filing the declaration hereinbefore required the party shall also file a map of said land, which shall exhibit a plan showing the mode of contemplated irrigation, and which plan shall be sufficient to thoroughly irrigate and reclaim said land, and prepare it to raise ordinary agricultural crops, and shall also show the source of the water to be used for irrigation and reclamation. Persons entering or proposing to enter separate sections, or fractional parts of sections, of desert lands may associate together in the construction of canals and ditches for irrigating and reclaiming all of said tracts, and may file a joint map or maps showing their plan of internal improvements.

SEC. 5. That no land shall be patented to any person under this act unless he or his assignors shall have expended in the necessary irrigation, reclamation, and cultivation thereof, by means of main canals and branch ditches, and in permanent improvements upon the land, and in the purchase of water rights for the irrigation of the same, at least three dollars per acre of whole tract reclaimed and patented in the manner following: Within one year after making entry for such tract of desert land as aforesaid the party so entering shall expend not less than one dollar per acre for the purposes afore-

said: and he shall in like manner expend the sum of one dollar per acre during the second and also during the third year thereafter, until the full sum of three dollars per acre is so expended. Said party shall file during each year with the register proof, by the affidavits of two or more credible witnesses, that the full sum of one dollar per acre has been expended in such necessary improvements during such year, and the manner in which expended, and at the expiration of the third year a map or plan showing the character and extent of such improvements. If any party who has made such application shall fail during any year to file the testimony aforesaid the lands shall revert to the United States, and the twenty-five cents advanced payment shall be forfeited to the United States, and the entry shall be cancelled. Nothing herein contained shall prevent a claimant from making his final entry and receiving his patent at an earlier date than hereinbefore prescribed, provided that he then makes the required proof of reclamation to the aggregate extent of three dollars per acre: *Provided*, That proof be further required of the cultivation of one-eighth of the land.

SEC. 6. That this act shall not affect any valid rights heretofore accrued under said act of March third, eighteen hundred and seventy-seven, but all bona-fide claims heretofore lawfully initiated may be perfected, upon due compliance with the provisions of said act, in the same manner, upon the same terms and conditions, and subject to the same limitations, forfeitures, and contests as if this act had not been passed; or said claims, at the option of the claimant, may be perfected and patented under the provisions of said act, as amended by this act, so far as applicable; and all acts and parts of acts in conflict with this act are hereby repealed.

SEC. 7. That at any time after filing the declaration, and within the period of four years thereafter, upon making satisfactory proof to the register and the receiver of the reclamation and cultivation of said land to the extent and cost and in the manner aforesaid, and substantially in accordance with the plans herein provided for, and that he or she is a citizen of the United States, and upon payment to the receiver of the additional sum of one dollar per acre for said land, a patent shall issue therefor to the applicant or his assigns; but no person or association of persons shall hold by assignment or otherwise prior to the issue of patent, more than three hundred and twenty acres of such arid or desert lands but this section shall not apply to entries made or initiated prior to the approval of this act. *Provided, however*, That additional proofs may be required at any time within the period prescribed by law, and that the claims or entries made under this or any preceding act shall be subject to contest, as provided by the law, relating to homestead cases, for illegal inception, abandonment, or failure to comply with the requirements of law, and upon satisfactory proof thereof shall be canceled, and the lands, and moneys paid therefor, shall be forfeited to the United States.

SEC. 8. That the provisions of the act to which this is an amendment, and the amendments thereto, shall apply to and be in force in the State of Colorado, as well as the States named in the original act; and no person shall be entitled to make entry of desert land except he be a resident citizen of the State or Territory in which the land sought to be entered is located."

SEC. 3. That section twenty-two hundred and eighty-eight of the Revised Statutes be amended so as to read as follows:

SEC. 2288. Any bona fide settler under the pre-emption, homestead, or other settlement law shall have the right to transfer, by warranty against his own acts, any portion of his claim for church, cemetery, or school purposes, or for the right of way of railroads, canals, reservoirs, or ditches for irrigation or drainage across it; and the transfer for such public purposes shall in no way vitiate the right to complete and perfect the title to his claim."

SEC. 4. That chapter four of title thirty-two, excepting sections twenty-two hundred and seventy-five, twenty-two hundred and seventy-six, twenty-two hundred and eighty-six, of the Revised Statutes of the United States, and all other laws allowing pre-emption of the public lands of the United States, are hereby repealed, but all bona fide claims lawfully initiated before the passage of this act, under any of said provisions of law so repealed, may be perfected upon due compliance with law, in the same manner, upon the same terms and conditions, and subject to the same limitations, forfeitures, and contests, as if this act had not been passed.

SEC. 5. That sections twenty two hundred and eighty-nine and twenty-two hundred and ninety, in said chapter numbered five of the Revised Statutes, be, and the same are hereby, amended, so that they shall read as follows:

SEC. 2289. Every person who is the head of a family, or who has arrived at the age of twenty-one years, and is a citizen of the United States, or who has filed his declaration of intention to become such, as required by the naturalization laws, shall be entitled to enter one-quarter section, or a less quantity, of unappropriated public lands, to be located in a body in conformity to the legal subdivisions of the public lands; but no person who is the proprietor of more than one hundred and sixty acres of land in any State or Territory, shall acquire any right under the homestead law. And every person owning and residing on land may, under the provisions of this section, enter other land lying contiguous to his land, which shall not, with the land so already owned and occupied, exceed in the aggregate one hundred and sixty acres.

SEC. 2290. That any person applying to enter land under the preceding section shall first make and subscribe before the proper officer and file in the proper land office an affidavit that he or she is the head of a family, or is over twenty-one years of age, and that such application is honestly and in good faith made for the purpose of actual settlement and cultivation, and not for the benefit of any other person, persons or corporation, and that he or she will faithfully and honestly endeavor to comply with all the requirements of law as to settlement, residence, and cultivation necessary to acquire title to the land applied for; that he or she is not acting as agent of any person, corporation, or syndicate in making such entry, nor in collusion with any person, corporation, or syndicate to give them the benefit of the land entered, or any part thereof, or the timber thereon; that he or she does not apply to enter the same for the purpose of speculation, but in good faith to obtain a home for himself, or herself, and that he or she has not directly or indirectly made, and will not make, any agreement or contract in any way or manner, with any person or persons, corporation or syndicate whatsoever, by which the title which he or she might acquire from the Government of the United States should inure, in whole or in part, to the benefit of any person, except himself, or herself, and upon filing such affidavit with the register or receiver on payment of five dollars when the entry is of not more than eighty acres, and on payment of ten dollars when the entry is for more than eighty acres, he or she shall thereupon be permitted to enter the amount of land specified."

SEC. 6. That section twenty-three hundred and one of the Revised Statutes be amended so as to read as follows:

"SEC. 2301. Nothing in this chapter shall be so construed as to prevent any person who shall hereafter avail himself of the benefits of section twenty-two hundred and eighty nine from paying the minimum price for the quantity of land so entered at any time after the expiration of fourteen calendar months from the date of such entry, and obtaining a patent therefor, upon making proof of settlement and of residence and cultivation for such period of fourteen calendar months." And the provision of this section shall apply to

lands on the ceded portion of the Sioux Reservation by act-approved March second, eighteen hundred and eighty-nine, in South Dakota, but shall not relieve said settlers from any payments now required by law.

SEC. 7. That whenever it shall appear to the Commissioner of the General Land Office that a clerical error has been committed in the entry of any of the public lands such entry may be suspended, upon proper notification to the claimant, through the local land office, until the error has been corrected; and all entries made under the preemption, homestead, desert-land, or timber-culture laws, in which final proof and payment may have been made and certificates issued, and to which there are no adverse claims originating prior to final entry and which have been sold or incumbered prior to the first day of March, eighteen hundred and eighty-eight, and after final entry, to bona-fide purchasers, or incumbrancers, for a valuable consideration, shall unless upon an investigation by a Government Agent, fraud on the part of the purchaser has been found, be confirmed and patented upon presentation of satisfactory proof to the Land Department of such sale or incumbrance: *Provided*, That after the lapse of two years from the date of the issuance of the receiver's receipt upon the final entry of any tract of land under the homestead, timber-culture, desert-land, or pre-emption laws, or under this act, and when there shall be no pending contest or protest against the validity of such entry, the entryman shall be entitled to a patent conveying the land by him entered, and the same shall be issued to him; but this proviso shall not be construed to require the delay of two years from the date of said entry before the issuing of a patent therefor.

SEC. 8. That suits by the United States to vacate and annul any patent heretofore issued shall only be brought within five years from the passage of this act, and suits to vacate and annul patents hereafter issued shall only be brought within six years after the date of the issuance of such patents. And in the States of Colorado, Montana, Idaho, North Dakota and South Dakota, Wyoming, and in the District of Alaska and the gold and silver regions of Nevada, and the Territory of Utah, in any criminal prosecution or civil action by the United States for a trespass on such public timber lands or to recover timber or lumber cut thereon, it shall be a defense if the defendant shall show that the said timber was so cut or removed from the timber lands for use in such State or Territory by a resident thereof for agricultural, mining, manufacturing, or domestic purposes, and has not been transported out of the same; but nothing herein contained shall apply to operate to enlarge the rights of any railway company to cut timber on the public domain: *Provided*, That the Secretary of the Interior may make suitable rules and regulations to carry out the provisions of this section.

SEC. 9. That hereafter no public lands of the United States, except abandoned military or other reservations, isolated and disconnected fractional tracts authorized to be sold by section twenty-four hundred and fifty-five of the Revised Statutes, and mineral and other lands the sale of which at public auction has been authorized by acts of Congress of a special nature having local application, shall be sold at public sale.

SEC. 10. That nothing in this act shall change, repeal, or modify any agreements or treaties made with any Indian tribes for the disposal of their lands, or of land ceded to the United States to be disposed of for the benefit of such tribes, and the proceeds thereof to be placed in the Treasury of the United States; and the disposition of such lands shall continue in accordance with the provisions of such treaties or agreements, except as provided in section 5 of this act.

SEC. 11. That until otherwise ordered by Congress lands in Alaska may be entered for town-site purposes, for the several use and benefit

of the occupants of such town sites, by such trustee or trustees as may be named by the Secretary of the Interior for that purpose, such entries to be made under the provisions of section twenty-three hundred and eighty-seven of the Revised Statutes as near as may be; and when such entries shall have been made the Secretary of the Interior shall provide by regulation for the proper execution of the trust in favor of the inhabitants of the town site, including the survey of the land into lots, according to the spirit and intent of said section twenty-three hundred and eighty-seven of the Revised Statutes, whereby the same results would be reached as though the entry had been made by a county judge and the disposal of the lots in such town site and the proceeds of the sale thereof had been prescribed by the legislative authority of a State or Territory: *Provided*, That no more than six hundred and forty acres shall be embraced in one townsite entry.

SEC. 12. That any citizen of the United States twenty-one years of age, and any association of such citizens, and any corporation incorporated under the laws of the United States, or of any State or Territory of the United States now authorized by law to hold lands in the Territories now or hereafter in possession of and occupying public lands in Alaska for the purpose of trade or manufactures, may purchase not exceeding one hundred and sixty acres to be taken as near as practicable in a square form, of such land at two dollars and fifty cents per acre: *Provided*, That in case more than one person, association, or corporation shall claim the same tract of land the person, association, or corporation having the prior claim by reason of possession and continued occupation shall be entitled to purchase the same; but the entry of no person, association, or corporation shall include improvements made by or in possession of another prior to the passage of this act.

SEC. 13. That it shall be the duty of any person, association, or corporation entitled to purchase land under this act to make an application to the United States marshal, ex officio surveyor-general of Alaska, for an estimate of the cost of making a survey of the lands occupied by such person, association, or corporation, and the cost of the clerical work necessary to be done in the office of the said United States marshal, ex officio surveyor-general; and on the receipt of such estimate from the United States marshal, ex officio surveyor-general, the said person, association, or corporation shall deposit the amount in a United States depository, as is required by section numbered twenty-four hundred and one, Revised Statutes, relating to deposits for surveys.

That on the receipt by the United States marshal, ex-officio surveyor-general, of the said certificates of deposit, he shall employ a competent person to make such survey, under such rules and regulations as may be adopted by the Secretary of the Interior, who shall make his return of his field notes and maps to the office of the said United States marshal, ex-officio surveyor-general; and the said United States marshal, ex officio surveyor-general, shall cause the said field notes and plats of such survey to be examined, and, if correct, approve the same, and shall transmit certified copies of such maps and plats to the office of the Commissioner of the General Land Office.

That when the said field notes and plats of said survey shall have been approved by the said Commissioner of the General Land Office, he shall notify such person, association, or corporation, who shall then, within six months after such notice, pay to the said United States marshal, ex officio surveyor-general, for such land, and patent shall issue for the same.

SEC. 14. That none of the provisions of the last two preceding sections of this act shall be so construed as to warrant the sale of any lands belonging to the United States which shall contain coal or the

precious metals, or any town site, or which shall be occupied by the United States for public purposes, or which shall be reserved for such purposes, or to which the natives of Alaska have prior rights by virtue of actual occupation, or which shall be selected by the United States Commissioner of Fish and Fisheries on the island of Kadiak and Afognak for the purpose of establishing fish-culture stations. And all tracts of land not exceeding six hundred and forty acres in any one tract now occupied as missionary stations in said district of Alaska are hereby excepted from the operation of the last three preceding sections of this act. No portion of the islands of the Pribylov Group or the Seal Islands of Alaska shall be subject to sale under this act; and the United States reserves, and there shall be reserved in all patents issued under the provisions of the last two preceding sections the right of the United States to regulate the taking of salmon and to do all things necessary to protect and prevent the destruction of salmon in all the waters of the lands granted frequented by salmon.

SEC. 15. That until otherwise provided by law the body of lands known as Annette Islands, situated in Alexander Archipelago in Southeastern Alaska, on the north side of Dixon's entrance, be, and the same is hereby, set apart as a reservation for the use of the Metlakahtla Indians, and those people known as Metlakahtlans who have recently emigrated from British Columbia to Alaska, and such other Alaskan natives as may join them, to be held and used by them in common, under such rules and regulations, and subject to such restrictions, as may be prescribed from time to time by the Secretary of the Interior.

SEC. 16. That town-site entries may be made by incorporated towns and cities on the mineral lands of the United States, but no title shall be acquired by such towns or cities to any vein of gold, silver, cinnabar, copper, or lead, or to any valid mining claim or possession held under existing law. When mineral veins are possessed within the limits of an incorporated town or city, and such possession is recognized by local authority or by the laws of the United States, the title to town lots shall be subject to such recognized possession and the necessary use thereof and when entry has been made or patent issued for such town sites to such incorporated town or city, the possessor of such mineral vein may enter and receive patent for such mineral vein, and the surface ground appertaining thereto: *Provided*, That no entry shall be made by such mineral-vein claimant for surface ground where the owner or occupier of the surface ground shall have had possession of the same before the inception of the title of the mineral-vein applicant.

SEC. 17. That reservoir sites located or selected and to be located and selected under the provisions of "An act making appropriations for sundry civil expenses of the Government for the fiscal year ending June thirtieth, eighteen hundred and eighty-nine, and for other purposes," and amendments thereto, shall be restricted to and shall contain only so much land as is actually necessary for the construction and maintenance of reservoirs; excluding so far as practicable lands occupied by actual settlers at the date of the location of said reservoirs and that the provision of "An Act making appropriations for sundry civil expenses of the Government for the fiscal year ending June thirtieth, eighteen hundred and ninety-one, and for other purposes," which reads as follows, viz: "No person who shall after the passage of this act enter upon any of the public lands with a view to occupation, entry, or settlement under any of the land laws shall be permitted to acquire title to more than three hundred and twenty acres in the aggregate under all said laws," shall be construed to include in the maximum amount of lands the title to which is permitted to be acquired by one person only agricultural lands and

not to include lands entered or sought to be entered under mineral land laws.

SEC. 18. That the right of way through the public lands and reservations of the United States is hereby granted to any canal or ditch company formed for the purpose of irrigation and duly organized under the laws of any State or Territory, which shall have filed, with the Secretary of the Interior a copy of its articles of incorporation, and due proofs of its organization under the same, to the extent of the ground occupied by the water of the reservoir and of the canal and its laterals, and fifty feet on each side of the marginal limits thereof; also the right to take, from the public lands adjacent to the line of the canal or ditch, material, earth, and stone necessary for the construction of such canal or ditch: *Provided*, That no such right of way shall be so located as to interfere with the proper occupation by the Government of any such reservation, and all maps of location shall be subject to the approval of the Department of the Government having jurisdiction of such reservation, and the privilege herein granted shall not be construed to interfere with the control of water for irrigation and other purposes under authority of the respective States or Territories.

SEC. 19. That any canal or ditch company desiring to secure the benefits of this act shall, within twelve months after the location of ten miles of its canal, if the same be upon surveyed lands, and if upon unsurveyed lands, within twelve months after the survey thereof by the United States, file with the register of the land office for the district where such land is located a map of its canal or ditch and reservoir; and upon the approval thereof by the Secretary of the Interior the same shall be noted upon the plats in said office, and thereafter all such lands over which such rights of way shall pass shall be disposed of subject to such right of way. Whenever any person or corporation, in the construction of any canal, ditch, or reservoir, injures or damages the possession of any settler on the public domain, the party committing such injury or damage shall be liable to the party injured for such injury or damage.

SEC. 20. That the provisions of this act shall apply to all canals, ditches, or reservoirs, heretofore or hereafter constructed, whether constructed by corporations, individuals, or association of individuals, on the filing of the certificates and maps herein provided for. If such ditch, canal, or reservoir, has been or shall be constructed by an individual or association of individuals, it shall be sufficient for such individual or association of individuals to file with the Secretary of the Interior, and with the register of the land office where said land is located, a map of the line of such canal, ditch, or reservoir, as in case of a corporation, with the name of the individual owner or owners thereof, together with the articles of association, if any there be. Plats heretofore filed shall have the benefits of this act from the date of their filing, as though filed under it: *Provided*, That if any section of said canal, or ditch, shall not be completed within five years after the location of said section, the rights herein granted shall be forfeited as to any uncompleted section of said canal, ditch, or reservoir, to the extent that the same is not completed at the date of the forfeiture.

SEC. 21. That nothing in this act shall authorize such canal or ditch company to occupy such right of way except for the purpose of said canal or ditch, and then only so far as may be necessary for the construction, maintenance, and care of said canal or ditch.

SEC. 22. That the section of land reserved for the benefit of the Dakota Central Railroad Company on the west bank of the Missouri River, at the mouth of Bad River, as provided by section sixteen of "An act to divide a portion of the reservation of the Sioux Nation of Indians in Dakota into separate reservations and to secure the re-

linquishment of the Indian title to the remainder and for other purposes," approved March second, eighteen hundred and eighty-nine, shall be subject to entry under the town-site law only.

SEC. 23. That in all cases where second entries of land on the Osage Indian trust and diminished reserve lands in Kansas, to which at the time there were no adverse claims, have been made and the law complied with as to residence and improvement, said entries be, and the same are hereby, confirmed, and in all cases where persons were actual settlers and residing upon their claims upon said Osage Indian trust and diminished reserve lands in the State of Kansas on the ninth day of May, eighteen hundred and seventy two, and who have made subsequent pre-emption entries either upon public or upon said Osage Indian trust and diminished reserve lands, upon which there were no legal prior adverse claims at the time, and the law complied with as to settlement, said subsequent entries be, and the same are hereby, confirmed.

SEC. 5. That the testimony which has been heretofore lawfully and regularly received by the surveyor-general of the proper Territory or State or by the Commissioner of the General Land Office, upon any claims presented to them, respectively, shall be admitted in evidence in all trials under this act when the person testifying is dead, so far as the subject matter thereof is competent evidence; and the court shall give it such weight as, in its judgment, under all the circumstances, it ought to have.

SEC. 6. That it shall and may be lawful for any person or persons or corporation, or their legal representatives, claiming lands within the limits of the territory derived by the United States from the Republic of Mexico and now embraced within the Territories of New Mexico, Arizona, or Utah, or within the States of Nevada, Colorado, or Wyoming by virtue of any such Spanish or Mexican grant, concession, warrant, or survey as the United States are bound to recognize and confirm by virtue of the treaties of cession of said country by Mexico to the United States which at the date of the passage of this act have not been confirmed by act of Congress, or otherwise finally decided upon by lawful authority, and which are not already complete and perfect, in every such case to present a petition, in writing, to the said court in the State or Territory where said land is situated and where the said court holds its sessions, but cases arising in the States and Territories in which the court does not hold regular sessions may be instituted at such place as may be designated by the rules of the court.

The petition shall set forth fully the nature of their claims to the lands, and particularly state the date and form of the grant, concession, warrant, or order of survey under which they claim, by whom made, the name or names of any person or persons in possession of or claiming the same, or any part thereof, otherwise than by the lease or permission of the petitioner; and also the quantity of land claimed and the boundaries thereof, where situate, with a map showing the same, as near as may be, and whether the said claim has heretofore been confirmed, considered, or acted upon by Congress or the authorities of the United States, or been heretofore submitted to any authorities constituted by law for the adjustment of land titles within the limits of the said territory so acquired, and by them reported on unfavorably or recommended for confirmation, or authorized to be surveyed or not; and pray in such petition that the validity of such title or claim may be inquired into and decided.

And the said court is hereby authorized and required to take and exercise jurisdiction of all cases or claims presented by petition in conformity with the provisions of this act, and to hear and determine the same, as in this act provided, on the petition and proofs in case no answer or answers be filed after due notice, or on the petition and the answer or answers of any person or persons interested in prevent-

ing any claim from being established, and the answer of the attorney for the United States where he may have filed an answer, and such testimony and proofs as may be taken; and a copy of such petition, with a citation to any adverse possessor or claimant, shall, immediately after the filing of the same, be served on such possessor or claimant in the ordinary legal manner of serving such process in the proper State or Territory, and in like manner on the attorney for the United States; and it shall be the duty of the attorney for the United States, as also any adverse possessor or claimant, after service of petition and citation as hereinbefore provided, within thirty days, unless further time shall, for good cause shown, be granted by the court, or a judge thereof, to enter an appearance, and plead, answer, or demur to said petition; and in default of such plea, answer, or demurrer being made within said thirty days, or within the further time which may have been granted as aforesaid, the court shall proceed to hear the cause on the petition and proofs, and render a final decree according to the provisions of this act, and in no case shall a decree be entered otherwise than upon full legal proof and hearing; and in every case the court shall require the petition to be sustained by satisfactory proofs, whether an answer or plea shall have been filed or not.

SEC. 7. That all proceedings subsequent to the filing of said petition shall be conducted as near as may be according to the practice of the courts of equity of the United States, except that the answer of the attorney of the United States shall not be required to be verified by his oath, and except that, as far as practicable, testimony shall be taken in court or before one of the justices thereof. The said court shall have full power and authority to hear and determine all questions arising in cases before it relative to the title to the land the subject of such case, the extent, location, and boundaries thereof, and other matters connected therewith fit and proper to be heard and determined, and by a final decree to settle and determine the question of the validity of the title and the boundaries of the grant or claim presented for adjudication, according to the law of nations, the stipulations of the treaty concluded between the United States and the Republic of Mexico at the city of Guadalupe-Hidalgo, on the second day of February, in the year of our Lord, eighteen hundred and forty-eight, or the treaty concluded between the same powers at the city of Mexico, on the thirtieth day of December, in the year of our Lord, eighteen hundred and fifty-three, and the laws and ordinances of the Government from which it is alleged to have been derived, and all other questions properly arising between the claimants or other parties in the case and the United States, which decree shall in all cases refer to the treaty, law, or ordinance under which such claim is confirmed or rejected; and in confirming any such claim, in whole or in part, the court shall in its decree specify plainly the location, boundaries, and area of the land the claim to which is so confirmed.

SEC. 8. That any person or corporation claiming lands in any of the States or Territories mentioned in this act under a title derived from the Spanish or Mexican Government that was complete and perfect at the date when the United States acquired sovereignty therein, shall have the right (but shall not be bound) to apply to said court in the manner in this act provided for other cases for a confirmation of such title; and on such application said court shall proceed to hear, try, and determine the validity of the same and the right of the claimant thereto, its extent, location and boundaries, in the same manner and with the same powers as in other cases in this act mentioned.

If in any such case, a title so claimed to be perfect shall be established and confirmed, such confirmation shall be for so much land only as such perfect title shall be found to cover, always excepting any part of such land that shall have been disposed of by

the United States, and always subject to and not to affect any conflicting private interests, rights, or claims held or claimed adversely to any such claim or title, or adversely to the holder of any such claim or title. And no confirmation of claims or titles in this section mentioned shall have any effect other or further than as a release of all claim of title by the United States; and no private right of any person as between himself and other claimants or persons, in respect of any such lands, shall be in any manner affected thereby.

It shall be lawful for and the duty of the head of the Department of Justice, whenever in his opinion the public interest or the rights of any claimant shall require it, to cause the attorney of the United States in said court to file in said court a petition against the holder or possessor of any claim or land in any of the States or Territories mentioned in this act who shall not have voluntarily come in under the provisions of this act, stating in substance that the title of such holder or possessor is open to question, or stating in substance that the boundaries of any such land, the claimant or possessor to or of which has not brought the matter into court, are open to question, and praying that the title to any such land, or the boundaries thereof, if the title be admitted, be settled and adjudicated; and thereupon the court shall, on such notice to such claimant or possessor as it shall deem reasonable, proceed to hear, try, and determine the questions stated in such petition or arising in the matter, and determine the matter according to law, justice, and the provisions of this act, but subject to all lawful rights adverse to such claimant or possessor, as between such claimant and possessor and any other claimant or possessor, and subject in this respect to all the provisions of this section applicable thereto.

SEC. 9. That the party against whom the court shall in any case decide—the United States, in case of the confirmation of a claim in whole or in part, and the claimant, in case of the rejection of a claim, in whole or in part—shall have the right of appeal to the Supreme Court of the United States, such appeal to be taken within six months from date of such decision, and in all respects to be taken in the same manner and upon the same conditions, except in respect of the amount in controversy, as is now provided by law for the taking of appeals from decisions of the circuit courts of the United States. On any such appeal the Supreme Court shall retry the cause, as well the issues of fact as of law, and may cause testimony to be taken in addition to that given in the court below, and may amend the record of the proceedings below as truth and justice may require; and on such retrial and hearing every question shall be open, and the decision of the Supreme Court thereon shall be final and conclusive. Should no appeal be taken as aforesaid the decree of the court below shall be final and conclusive.

Upon the rendition of any judgment of the court confirming any claim, it shall be the duty of the attorney of the United States to notify the Attorney-General, in writing of such judgment, giving him a clear statement of the case and the points decided by the court, which statement shall be verified by the certificate of the presiding judge of said court; and in any case in which such statement shall not be received by the Attorney-General within sixty days next after the rendition of such judgment, the right of appeal on the part of the United States shall continue to exist until six months next after the receipt of such statement. And if the Attorney-General shall so direct, it shall be the duty of the clerk of the court to transmit the record of any cause in which final judgment has been rendered to the Attorney-General for his examination. In all cases it shall be the duty of the Attorney-General to instruct the attorney for the United States what further course to pursue and whether or not an appeal shall be taken.

SEC. 10. That whenever any decision of confirmation shall become final, the clerk of the court in which the final decision shall be had shall certify that fact to the Commissioner of the General Land Office, with a copy of the decree of confirmation, which shall plainly state the location, boundaries, and area of the tract confirmed. The said Commissioner shall thereupon without delay cause the tract so confirmed to be surveyed at the cost of the United States. When any such survey shall have been made and returned to the surveyor-general of the respective Territory or State, and the plat thereof completed, the surveyor-general shall give notice that same has been done, by publication once a week, for four consecutive weeks in two newspapers, one published at the capital of the Territory or State and the other (if any such there be) published near the land so surveyed, such notices to be published in both the Spanish and English languages; and the surveyor-general shall retain such survey and plat in his office for public inspection for the full period of ninety days from the date of the first publication of notice in the newspaper published at the capital of the Territory or State.

If, at the expiration of such period, no objection to such survey shall have been filed with him, he shall approve the same and forward it to the Commissioner of the General Land Office. If, within the said period of ninety days, objections are made to such survey, either by any party claiming an interest in the confirmation or by any party claiming an interest in the tract embraced in the survey or any part thereof, such objection shall be reduced to writing, stating distinctly the interest of the objector and the grounds of his objection, and signed by him or his attorney, and filed with the surveyor-general, with such affidavits or other proofs as he may produce in support of his objection. At the expiration of the said ninety days the surveyor-general shall forward such survey, with the objections and proofs filed in support of or in opposition to such objections, and his report thereon, to the Commissioner of the General Land Office.

Immediately upon receipt of any such survey, with or without objections thereto, the said Commissioner shall transmit the same, with all accompanying papers, to the court in which the final decision was made for its examination of the survey and of any objections and proofs that may have been filed, or shall be furnished; and the said court shall thereupon determine if the said survey is in substantial accordance with the decree of confirmation. If found to be correct, the court shall direct its clerk to indorse upon the face of the plat its approval. If found to be incorrect, the court shall return the same for correction in such particulars as it shall direct. When any survey is finally approved by the court, it shall be returned to the Commissioner of the General Land Office, who shall as soon as may be cause a patent to be issued thereon to the confirmer. One half of the necessary expenses of making the survey and plat provided for in this section, and in respect of which a patent shall be ordered to be issued, shall be paid by the claimant or patentee, and shall be a lien on said land, which may be enforced by the sale of so much thereof as may be necessary for that purpose, after a default of payment thereof for six months next after the approval of such survey and plat; and no patent shall issue until such payment.

SEC. 11. That the provisions of this act shall extend to any city lot, town lot, village lot, farm lot, or pasture lot claimed directly or mediately under any grant which may be entitled to confirmation by the United States, for the establishment of a city, town, or village, by the Spanish or Mexican Government, or the lawful authorities thereof; but the claim for said city, town, or village shall be presented by the corporate authorities of the said city, town, or village; or where the land upon which said city, town, or village is situated was originally granted to an individual the claim shall be presented by or in the name of said individual or his legal representatives.

SEC. 12. That all claims mentioned in section six of this act which are by the provisions of this act authorized to be prosecuted shall, at the end of two years from the taking effect of this act, if no petition in respect to the same shall have then been filed as hereinbefore provided, be deemed and taken, in all courts and elsewhere, to be abandoned and shall be forever barred: *Provided*, That in any case where it shall come to the knowledge of the court that minors, married women, or persons non compos mentis are interested in any land claim or matter brought before the court it shall be its duty to appoint a guardian ad litem for such persons under disability and require a petition to be filed in their behalf, as in other cases, and if necessary to appoint counsel for the protection of their rights. The judges, respectively, of said court are hereby authorized in all cases arising under this act to grant in vacation all orders for taking testimony, and otherwise to hear and dispose of interlocutory motions not affecting the substantial merits of a case. And said court shall have and possess all the powers of a circuit court of the United States in preserving order, compelling the production of books, papers, and documents, the attendance of witnesses, and in punishing contempts.

SEC. 13. That all the foregoing proceedings and rights shall be conducted and decided subject to the following provisions as well as to the other provisions of this act, namely:

First. No claim shall be allowed that shall not appear to be upon a title lawfully and regularly derived from the Government of Spain or Mexico, or from any of the States of the Republic of Mexico having lawful authority to make grants of land, and one that if not then complete and perfect at the date of the acquisition of the territory by the United States, the claimant would have had a lawful right to make perfect had the territory not been acquired by the United States, and that the United States are bound, upon the principles of public law, or by the provisions of the treaty of cession, to respect and permit to become complete and perfect if the same was not at said date already complete and perfect.

Second. No claim shall be allowed that shall interfere with or overthrow any just and unextinguished Indian title or right to any land or place.

Third. No allowance or confirmation of any claim shall confer any right or title to any gold, silver, or quicksilver mines or minerals of the same, unless the grant claimed effected the donation or sale of such mines or minerals to the grantee, or unless such grantee has become otherwise entitled thereto in law or in equity; but all such mines and minerals shall remain the property of the United States, with the right of working the same, which fact shall be stated in all patents issued under this act. But no such mine shall be worked on any property confirmed under this act without the consent of the owner of such property until specially authorized thereto by an act of Congress hereafter passed.

Fourth. No claim shall be allowed for any land the right to which has hitherto been lawfully acted upon and decided by Congress, or under its authority.

Fifth. No proceeding, decree, or act under this act shall conclude or affect the private rights of persons as between each other, all of which rights shall be reserved and saved to the same effect as if this act had not been passed; but the proceedings, decrees, and acts herein provided for shall be conclusive of all rights as between the United States and all persons claiming any interest or right in such lands.

Sixth. No confirmation of or decree concerning any claim under this act shall in any manner operate or have effect against the United States otherwise than as a release by the United States of its right and title to the land confirmed, nor shall it operate to make the United States in any manner liable in respect of any such grants,

claims, or lands, or their disposition, otherwise than as is in this act provided.

Seventh. No confirmation in respect of any claims or lands mentioned in section six of this act or in respect of any claim or title that was not complete and perfect at the time of the transfer of sovereignty to the United States as referred to in this act, shall in any case be made or patent issued for a greater quantity than eleven square leagues of land to or in the right of any one original grantee or claimant, or in the right of any one original grant to two or more persons jointly, nor for a greater quantity than was authorized by the respective laws of Spain or Mexico applicable to the claim.

Eighth. No concession, grant, or other authority to acquire land made upon any condition or requirement, either antecedent or subsequent, shall be admitted or confirmed unless it shall appear that every such condition and requirement was performed within the time and in the manner stated in any such concession, grant, or other authority to acquire land.

SEC. 14. That if in any case it shall appear that the lands or any part thereof decreed to any claimant under the provisions of this act shall have been sold or granted by the United States to any other person, such title from the United States to such other person shall remain valid, notwithstanding such decree, and upon proof being made to the satisfaction of said court of such sale or grant, and the value of the lands so sold or granted, such court shall render judgment in favor of such claimant against the United States for the reasonable value of said lands so sold or granted, exclusive of betterments, not exceeding one dollar and twenty-five cents per acre for such lands; and such judgment, when found, shall be a charge on the Treasury of the United States. Either party deeming himself aggrieved by such judgment may appeal in the same manner as provided herein in cases of confirmation of a Spanish or Mexican grant. For the purpose of ascertaining the value and amount of such lands, surveys may be ordered by the court, and proof taken before the court, or by a commissioner appointed for that purpose by the court.

SEC. 15. That section eight of the act of Congress approved July twenty-second, eighteen hundred and fifty-four, entitled "An act to establish the offices of surveyor-general of New Mexico, Kansas, and Nebraska, to grant donations to actual settlers therein, and for other purposes," and all acts amendatory or in extension thereof, or supplementary thereto, and all acts or parts of acts inconsistent with the provisions of this act are hereby repealed.

SEC. 16. That in township surveys hereafter to be made in the Territories of New Mexico, Arizona, and Utah, and in the States of Colorado, Nevada, and Wyoming if it shall be made to appear to the satisfaction of the deputy surveyor making such survey that any person has, through himself, his ancestors, grantors, or their lawful successors in title or possession, been in the continuous adverse actual bona fide possession, residing thereon as his home, of any tract of land or in connection therewith of other lands, all together not exceeding one hundred and sixty acres in such township for twenty years next preceding the time of making such survey, the deputy surveyor shall recognize and establish the lines of such possession and make the subdivision of the adjoining lands in accordance therewith. Such possession shall be accurately defined in the field-notes of the survey and delineated on the township plat, with the boundaries and area of the tract as a separate legal subdivision. The deputy surveyor shall return with his survey the name or names of all persons so found to be in possession, with a proper description of the tract in the possession of each as shown by the survey, and the proofs furnished to him of such possession.

Upon receipt of such survey and proofs the Commissioner of the General Land Office shall cause careful investigation to be made in

such manner as he shall deem necessary for the ascertainment of the truth in respect of such claim and occupation, and if satisfied upon such investigation that the claimant comes within the provisions of this section, he shall cause patents to be issued to the parties so found to be in possession for the tracts respectively claimed by them: *Provided, however,* That no person shall be entitled to confirmation of, or to patent for, more than one hundred and sixty acres in his own right by virtue of this section: *And provided further,* That this section shall not apply to any city lot, town lot, village lot, farm lot, or pasture lot held under a grant from any corporation or town the claim to which may fall within the provisions of section eleven of this act.

SEC. 17. That in the case of townships heretofore surveyed in the Territories of New Mexico, Arizona, and Utah, and the States of Colorado, Nevada, and Wyoming, all persons who, or whose ancestors, grantors, or their lawful successors in title or possession, became citizens of the United States by reason of the treaty of Guadalupe-Hidalgo, and who have been in the actual continuous adverse possession and residence thereon of tracts of not to exceed one hundred and sixty acres each, for twenty years next preceding such survey, shall be entitled, upon making proof of such facts to the satisfaction of the register and receiver of the proper land district, and of the Commissioner of the General Land Office upon such investigation as is provided for in section sixteen of this act, to enter without payment of purchase money, fees, or commissions, such legal subdivisions, not exceeding one hundred and sixty acres, as shall include their said possessions: *Provided, however,* That no person shall be entitled to enter more than one such tract, in his own right, under the provisions of this section.

SEC. 18. That all claims arising under either of the two next preceding sections of this act shall be filed with the surveyor-general of the proper State or Territory within two years next after the passage of this act, and no claim not so filed shall be valid. And the class of cases provided for in said two next preceding sections shall not be considered or adjudicated by the court created by this act, and no tract of such land shall be subject to entry under the land laws of the United States.

SEC. 19. That the powers and functions of the court established by this act shall cease and determine on the thirty-first day of December, eighteen hundred and ninety-five, and all papers, files, and records in the possession of said court belonging to any other public office of the United States shall be returned to such office, and all other papers, files, and records in the possession of or appertaining to said court shall be returned to and filed in the Department of the Interior.

Approved, March 3, 1891.

[*For appropriation for 1891 and 1892, see Deficiency act.*]

By the act to amend sections twenty-two hundred and seventy-five and twenty-two hundred and seventy-six of the Revised Statutes of the United States providing for the selection of lands for educational purposes in lieu of those appropriated for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That sections twenty-two hundred and seventy-five and twenty-two hundred and seventy-six of the Revised Statutes of the United State be amended to read as follows:

"SEC. 2275 Where settlements with a view to pre-emption or homestead have been, or shall hereafter be made, before the survey of the lands in the field, which are found to have been made on sections

sixteen or thirty-six, those sections shall be subject to the claims of such settlers; and if such sections, or either of them, have been or shall be granted, reserved, or pledged for the use of schools or colleges in the State or Territory in which they lie, other lands of equal acreage are hereby appropriated and granted, and may be selected by said State or Territory, in lieu of such as may be thus taken by pre-emption or homestead settlers. And other lands of equal acreage are also hereby appropriated and granted, and may be selected by said State or Territory where sections sixteen or thirty-six are mineral land, or are included within any Indian, military, or other reservation, or are otherwise disposed of by the United States: *Provided*, Where any State is entitled to said sections sixteen and thirty-six, or where said sections are reserved to any Territory, notwithstanding the same may be mineral land or embraced within a military, Indian, or other reservation, the selection of such lands in lieu thereof by said State or Territory shall be a waiver of its right to said sections. And other lands of equal acreage are also hereby appropriated and granted, and may be selected by said State or Territory to compensate deficiencies for school purposes, where sections sixteen or thirty-six are fractional in quantity, or where one or both are wanting by reason of the township being fractional, or from any natural cause whatever." And it shall be the duty of the Secretary of the Interior, without awaiting the extension of the public surveys, to ascertain and determine, by protraction or otherwise, the number of townships that will be included within such Indian, military, or other reservations, and thereupon the State or Territory shall be entitled to select indemnity lands to the extent of two sections for each of said townships, in lieu of sections sixteen and thirty-six therein; but such selections may not be made within the boundaries of said reservations: *Provided, however*, That nothing herein contained shall prevent any State or Territory from awaiting the extinguishment of any such military, Indian, or other reservation and the restoration of the lands therein embraced to the public domain and then taking the sections sixteen and thirty-six in place therein; but nothing in this proviso shall be construed as conferring any right not now existing.

"SEC. 2276. That the lands appropriated by the preceding section shall be selected from any unappropriated, surveyed public lands, not mineral in character, within the State or Territory where such losses or deficiencies of school sections occur; and where the selections are to compensate for deficiencies of school lands in fractional townships, such selections shall be made in accordance with the following principles of adjustment, to wit: For each township, or fractional township, containing a greater quantity of land than three-quarters of an entire township, one section; for a fractional township, containing a greater quantity of land than one-half, and not more than three-quarters of a township, three quarters of a section; for a fractional township, containing a greater quantity of land than one quarter, and not more than one half of a township, one-half section; and for a fractional township containing a greater quantity of land than one entire section, and not more than one-quarter of a township one-quarter section of land: *Provided*, That the States or Territories which are, or shall be entitled to both the sixteenth and thirty-sixth sections in place, shall have the right to select double the amounts named, to compensate for deficiencies of school land in fractional townships."

Approved, February 28, 1891.

Approved, February 18, 1891.

By the act to regulate the granting of leases at Hot Springs, Arkansas, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the Secretary of the Interior is hereby authorized and empowered to execute leases to the bath-houses and bath house sites on the permanent reservation at Hot Springs, Arkansas, for periods not exceeding twenty years, and at an annual rental of not less than thirty dollars per tub for each tub used in any bath-house. Said annual rental shall be payable quarterly in advance, at the office of the Government Superintendent of said property, in Hot Springs, Arkansas: *Provided*, That the same rate for water rent shall be charged for the water to all parties receiving the same, whether on or off the permanent reservation: *Provided*, That after the Army and Navy hospital bath-house, the public bath-house, the bath-houses which are now or may hereafter be authorized on the permanent reservation, the Arlington Hotel, and the bath-houses off the permanent reservation now authorized to be supplied with hot water, in the order herein named, if there shall still be a surplus of hot water the Secretary of the Interior may, in his discretion and under such regulations as he may prescribe, cause hot water to be furnished to bath-houses, hotels, and families off the permanent reservation: *Provided*, That such bath-houses, hotels, and families shall cause all connections for obtaining such hot water to be made at their own expense: *Provided*, That all water furnished to any hotel or family for other use than bathing shall be paid for at such reasonable price, as shall be fixed by the Secretary of the Interior: *Provided further*, That the Secretary of the Interior shall at the expiration of each period of five years during the continuance of each lease made hereunder readjust the terms and amounts of payment provided for therein as may be just, but not less than the minimum herein provided.

SEC. 2. That the Secretary of the Interior is hereby authorized to execute a lease of the Arlington Hotel site at Hot Springs, Arkansas, to the present lessees for a period of twenty years, and at an annual ground rent of two thousand five hundred dollars, for the first five years thereof, and at the end of said period of five years, and of each period of five years thereafter, he shall readjust and fix the compensation to be paid during the ensuing five years, but not less than that hereinbefore provided for.

SEC. 3. That all power now possessed by the Secretary of the Interior for the regulating of leases of bath-houses, bath-house privileges, or hotel rights on the reservation, or as to supplying hot water to places off the reservation, is hereby retained and continued in him; and full power is vested in the Secretary of the Interior to provide, in all leases to be executed against any combination among lessees or their assigns, as to ownership, prices, or accommodations at any bath-house; full power is also vested in him to make all needful rules and regulations as to the use of the hot water, and to prevent its waste, including full power to authorize the superintendent of the reservation to make examination and inspection at any time of the manner of using the hot water at any bath-tub, that it may be used in proper quantity only, and to prevent its waste; and also full power to provide and fix reasonable maximum charges for all baths, or bathing privileges, or services of any person connected with any bath-house furnished to bathers; and for reasonable maximum charges to guests at the Arlington Hotel; and also, generally, the Secretary of the Interior may make all necessary rules and regulations as to said bath-houses and the service therein as shall be deemed best for the public interest, and to provide penalties for the violation of any regulation which may be enforced as though provided by act of Congress. All leases and grants of hot-water privileges shall be held to be subject to all regulations now in force or which may be hereafter adopted by the Secretary of the Interior, and for any violation of any regulation, known to the proprietor at the time of the offense, the lease or grant may be canceled by the Secretary of the Interior. It shall be expressly provided in all leases and grants of privilege for hot water that the bath-house for which provision is made shall not be owned or controlled by any person, company, or corporation which may be the owner of or interested (as stockholder or otherwise) in any other bath-house on or near the Hot Springs Reservation; that neither the hot-water privilege granted nor any interest therein, nor the right to operate or control said bath-house, shall be assigned or transferred by the party of the second part without the approval of the Secretary of the Interior first obtained, in writing; and if the ownership or control of said bath-house be transferred to any person, company, or corporation owning or interested in any other bath-house on or near said reservation, the Secretary of the Interior may, for that cause, deprive the bath-house provided for of the hot water and cancel the lease or agreement. All buildings to be erected on the reservation shall be on plans first approved by the Secretary of the Interior, and shall be required to be fire proof, as nearly as practicable.

SEC. 4. That the Secretary of the Interior, before executing any lease to bath-houses or bath-house sites on the permanent reservation or contracts for the use of hot water for bath-houses off the permanent reservation, may make due investigation to ascertain whether the person, persons, or corporation applying for such lease or contract are not, directly or indirectly, interested in any manner whatever in any other bath-house lease, interest, or privilege at or near Hot Springs, Arkansas, or whether he or they belong to any pool, combination, or association so interested, or whether he or they are members or stockholders in any corporation so interested, or, if a corporation, whether its members or any of them are members or stockholders of any other corporation or association interested in any other bath-house, lease, interest, or privilege as aforesaid, and in order to arrive at the facts in any such case he is authorized to send for persons and papers, administer oaths to witnesses, and require affidavits from applicants; and any such person making a false oath or affidavit in the premises shall be deemed guilty of perjury, and, upon conviction, subject to all the pains and penalties of perjury under the statutes of the United States; and whenever, either at the

time of leasing or other time it appears to the satisfaction of the said Secretary that such interest in other bath-house, lease, interest, or privilege exists, or at any time any pool or combination exists between any two or more bath-houses or he deems it for the best interests of the management of the Hot Springs Reservation and waters, or for the public interest he may refuse such lease, license, permit or other privilege, or forfeit any lease or privilege wherein the parties interested have become otherwise interested as aforesaid.

SEC. 5. That the consent of the United States is hereby given for the taxation, under the authority of the laws of the State of Arkansas applicable to the equal taxation of personal property in that State, as personal property of all structures and other property in private ownership on the Hot Springs Reservation.

SEC. 6. That the authority heretofore conferred upon the Secretary of the Interior to collect the hot water upon said reservation shall be so construed as to require water to be collected only where, such collection is necessary for its proper distribution, and not where by gravity the same can be properly utilized.

SEC. 7 That the Secretary of the Interior may direct the public sale of all unsold Government lots on the Hot Springs Reservation; and not now permanently reserved at the city of Hot Springs, after having had the same reappraised, and also advertised as now required by law, and no lot shall be sold at less than the appraised price.

SEC. 8. Nothing in this act shall be so construed as to prevent the stockholders of any Hotel from operating a bath-house in connection with such Hotel as a part thereof.

Approved, March 3, 1891.

By the act for the relief of the Mission Indians in the State of California.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That immediately after the passage of this act the Secretary of the Interior shall appoint three disinterested persons as commissioners to arrange a just and satisfactory settlement of the Mission Indians residing in the State of California, upon reservations which shall be secured to them as hereinafter provided.

SEC. 2. That it shall be the duty of said commissioners to select a reservation for each band or village of the Mission Indians residing within said State, which reservation shall include, as far as practicable, the lands and villages which have been in the actual occupation and possession of said Indians, and which shall be sufficient in extent to meet their just requirements, which selection shall be valid when approved by the President and Secretary of the Interior. They shall also appraise the value of the improvements belonging to any person to whom valid existing rights have attached under the public-land laws of the United States, or to the assignee of such person, where such improvements are situated within the limits of any reservation selected and defined by said commissioners subject in each case to the approval of the Secretary of the Interior. In cases where the Indians are in occupation of lands within the limits of confirmed private grants, the commissioners shall determine and define the boundaries of such lands, and shall ascertain whether there are vacant public lands in the vicinity to which they may be removed. And the said commission is hereby authorized to employ a competent surveyor and the necessary assistants.

SEC. 3. That the commissioners, upon the completion of their duties, shall report the result to the Secretary of the Interior, who, if no valid objection exists, shall cause a patent to issue for each of the reservations selected by the commission and approved by him in favor of each band or village of Indians occupying any such reserva-

tion, which patents shall be of the legal effect, and declare that the United States does and will hold the land thus patented, subject to the provisions of section four of this act, for the period of twenty-five years, in trust, for the sole use and benefit of the band or village to which it is issued, and that at the expiration of said period the United States will convey the same or the remaining portion not previously patented in severalty by patent to said band or village, discharged of said trust, and free of all charge or incumbrance whatsoever: *Provided*, That no patent shall embrace any tract or tracts to which existing valid rights have attached in favor of any person under any of the United States laws providing for the disposition of the public domain, unless such person shall acquiesce in and accept the appraisal provided for in the preceding section in all respects and shall thereafter, upon demand and payment of said appraised value, execute a release of all title and claim thereto; and a separate patent, in similar form, may be issued for any such tract or tracts, at any time thereafter. Any such person shall be permitted to exercise the same right to take land under the public-land laws of the United States as though he had not made settlement on the lands embraced in said reservation; and a separate patent, in similar form, may be issued for any tract or tracts at any time after the appraised value of the improvements thereon shall have been paid: *And provided further*, That in case any land shall be selected under this act to which any railroad company is or shall hereafter be entitled to receive a patent, such railroad company shall, upon releasing all claim and title thereto, and on the approval of the President and Secretary of the Interior, be allowed to select an equal quantity of other land of like value in lieu thereof, at such place as the Secretary of the Interior shall determine: *And provided further*, That said patents declaring such lands to be held in trust as aforesaid shall be retained and kept in the Interior Department, and certified copies of the same shall be forwarded to and kept at the agency by the agent having charge of the Indians for whom such lands are to be held in trust, and said copies shall be open to inspection at such agency.

SEC. 4. That whenever any of the Indians residing upon any reservation patented under the provisions of this act shall, in the opinion of the Secretary of the Interior, be so advanced in civilization as to be capable of owning and managing land in severalty, the Secretary of the Interior may cause allotments to be made to such Indians, out of the land of such reservation, in quantity as follows: To each head of a family not more than six hundred and forty acres nor less than one hundred and sixty acres of pasture or grazing land, and in addition thereto not exceeding twenty acres, as he shall deem for the best interest of the allottee, of arable land in some suitable locality; to each single person over twenty-one years of age not less than eighty nor more than six hundred and forty acres of pasture or grazing land and not exceeding ten acres of such arable land.

SEC. 5. That upon the approval of the allotments provided for in the preceding section by the Secretary of the Interior he shall cause patents to issue therefor in the name of the allottees, which shall be of the legal effect and declare that the United States does and will hold the land thus allotted for the period of twenty-five years, in trust for the sole use and benefit of the Indian to whom such allotment shall have been made, or, in case of his decease, of his heirs according to the laws of the State of California, and that at the expiration of said period the United States will convey the same by patent to the said Indian, or his heirs as aforesaid, in fee, discharged of said trust and free of all charge or incumbrance whatsoever. And if any conveyance shall be made of the lands set apart and allotted as herein provided, or any contract made touching the same, before the expiration of the time above mentioned, such conveyance or contract shall be absolutely null and void: *Provided*, That these

patents, when issued, shall override the patent authorized to be issued to the band or village as aforesaid, and shall separate the individual allotment from the lands held in common, which proviso shall be incorporated in each of the village patents.

SEC. 6. That in cases where the lands occupied by any band or village of Indians are wholly or in part within the limits of any confirmed private grant or grants, it shall be the duty of the Attorney-General of the United States, upon request of the Secretary of the Interior, through special counsel or otherwise, to defend such Indians in the rights secured to them in the original grants from the Mexican Government, and in an act for the government and protection of Indians passed by the legislature of the State of California April twenty-second, eighteen hundred and fifty, or to bring any suit, in the name of the United States, in the Circuit Court of the United States for California, that may be found necessary to the full protection of the legal or equitable rights of any Indian or tribe of Indians in any of such lands.

SEC. 7. That each of the commissioners authorized to be appointed by the first section of this act shall be paid at the rate of eight dollars per day for the time he is actually and necessarily employed in the discharge of his duties, and necessary traveling expenses; and for the payment of the same, and of the expenses of surveying, the sum of ten thousand dollars, or so much thereof as may be necessary, is hereby appropriated out of any money in the Treasury not otherwise appropriated.....

\$10,000.00

SEC. 8. That previous to the issuance of a patent for any reservation as provided in section three of this act the Secretary of the Interior may authorize any citizen of the United States, firm, or corporation to construct a flume, ditch, canal, pipe, or other appliances for the conveyance of water over, across, or through such reservation for agricultural, manufacturing, or other purposes, upon condition that the Indians owning or occupying such reservation or reservations shall, at all times during such ownership or occupation, be supplied with sufficient quantity of water for irrigating and domestic purposes upon such terms as shall be prescribed in writing by the Secretary of the Interior, and upon such other terms as he may prescribe, and may grant a right of way for rail or other roads through such reservation: *Provided*, That any individual, firm, or corporation desiring such privilege shall first give bond to the United States, in such sum as may be required by the Secretary of the Interior, with good and sufficient sureties, for the performance of such conditions and stipulations as said Secretary may require as a condition precedent to the granting of such authority: *And provided further*, That this act shall not authorize the Secretary of the Interior to grant a right of way to any railroad company through any reservation for a longer distance than ten miles. And any patent issued for any reservation upon which such privilege has been granted, or for any allotment therein, shall be subject to such privilege, right of way, or easement. Subsequent to the issuance of any tribal patent, or of any individual trust patent as provided in section five of this act, any citizen of the United States, firm, or corporation may contract with the tribe, band, or individual for whose use and benefit any lands are held in trust by the United States, for the right to construct a flume, ditch, canal, pipe, or other appliances for the conveyance of water over, across, or through such lands, which contract shall not be valid unless approved by the Secretary of the Interior under such conditions as he may see fit to impose.

Approved, January 12, 1891.

By the act to ratify and confirm agreements with the Sac and Fox Nation of Indians, and the Iowa tribe of Indians, of Oklahoma Territory, and to make appropriations for carrying out the same.

Whereas David H. Jerome, Alfred M. Wilson, and Warren G. Sayre, duly appointed commissioners on the part of the United States, did on the twelfth day of June, eighteen hundred and ninety, conclude an agreement with the Sac and Fox Nation of Indians, occupying a reservation in the Territory of Oklahoma, formerly a part of the Indian Territory, which said agreement is in words and figures as follows, to wit:

Articles of Agreement made and entered into at the seat of Government of the Sac and Fox Nation in the Indian Territory on the twelfth day of June eighteen hundred and ninety, by and between David H. Jerome, Alfred M. Wilson and Warren G. Sayre, Commissioners on the part of the United States, appointed for the purpose and the Sac and Fox Nation, witnesseth:

ARTICLE I. The said the Sac and Fox Nation hereby cedes, conveys, transfers, surrenders and forever relinquishes to the United States of America, all their title, claim or interest, of every kind or character, in and to the following described tract of land or country, in the Indian Territory, to-wit: Beginning at a point on the left bank of the North fork of the Canadian River, where the West boundary line of the Creek Reservation crosses the same; thence North with said West boundary line to the right bank of the Cimarron River; thence up the said Cimarron River along the right bank thereof to a point on said right bank of said river, where the Section line between Sections Nineteen and Twenty (20) of Township Eighteen (18) North, of Range (4) East of the Indian Meridian strikes the same; thence South on the Section line between Sections Nineteen (19) and Twenty (20) Twenty nine (29) and Thirty (30) Thirty-one (31) and Thirty-two (32), of said Township Eighteen (18), and between Sections Five (5) and Six (6), Seven (7) and Eight (8) Seventeen (17) and Eighteen (18) Nineteen (19) and Twenty (20) Twenty-nine (29) and Thirty (30) Thirty-one (31) and Thirty two (32), of Townships Seventeen (17), Sixteen (16) Fifteen (15), Fourteen (14) North, and between Sections Five (5) and Six (6) Seven (7) and Eight (8) and Sections Seventeen (17) and Eighteen (18) of Township Thirteen (13) North, all in range Four (4) East of the Indian Meridian, to the Southeast corner of Section Eighteen (18) in said Township Thirteen (13); thence West on the Section line between Sections Eighteen (18) and Nineteen (19), to the Range line between Ranges Three (3) and Four (4), East of said Indian Meridian, thence South on said Range line to a point on the left bank of the North Fork of the Canadian River, where the said Range line strikes the said river; thence down the said North fork of the Canadian River, along the left bank thereof to the place of beginning:

Also the tract of land situated in Township Ten (10) North of Range Four (4) East of said Indian Meridian, North of the North fork of the Canadian River, (not within the limits of the tract of country above-described), and bounded as follows:

Beginning at the point on the left bank of the North Fork of the Canadian River where the Range line between the Ranges Three (3) and Four (4) East strikes the said river; thence up said river along the left bank thereof to a point on said left bank where the said range Line again intersects said river; thence South on said Range Line to a point on the left bank of said River where said Range line again intersects said River; thence down said river along the left bank thereof to the place of beginning—and all other land or country in Indian Territory, in which said Sac and Fox Nation has or claims any title, claim or interest.

Provided however the quarter section of land on which is now located the Sac and Fox Agency shall not pass to the United States

by this cession, conveyance, transfer, surrender and relinquishment, but shall remain the property of said Sac and Fox Nation, to the full extent that it is now the property of said Nation—subject only to the rights of the United States therein, by reason of said Agency being located thereon, and subject to the rights, legal and equitable, of those persons that are now legally located thereon. And it is agreed that the National Council of the said Sac and Fox Nation shall have the right at any time, subject to the approval of the Secretary of the Interior for the time being, to sell and convey said quarter section of land, or any part thereof, saving in such conveyance the rights of the United States and of persons legally located thereon—for the benefit of said Sac and Fox Nation, but shall not be subject to be taken by any citizen of the Sac and Fox Nation, in allotment, nor subject to homestead entry under any law of the United States. And the section of land now designated and set apart near the Sac and Fox Agency, for a school and farm, shall not be subject either to allotment to an Indian or to homestead entry under the laws of the United States—but shall remain as it now is and kept for school and farming purposes, so long as said Sac and Fox Nation shall so use the same,—*Provided however*, that at the time allotments are being taken, as hereinafter provided for, the National Council of said Sac and Fox Nation may release from the operation of this part of the agreement one or more quarters of said school section of land and such part or parts so released, shall thereby become subject to allotment hereunder, or to homestead entry. And for each quarter of said school section so released, the said National Council shall have the right to select anywhere in said Reservation another quarter section of land, except in Section Sixteen (16) and Section Thirty-six (36) of any Congressional Township—to be held as said school section is provided herein to be held,—so long as said Sac and Fox Nation shall use the same for school purposes or for farming purposes in connection with this said school.

ARTICLE II. In consideration of the cession, conveyance, transfer, surrender and relinquishment by said Sac and Fox Nation of all of their title, claim and interest, of every kind and character in and to the lands described in the preceding Article, the United States of America hereby agrees with said Sac and Fox Nation that each and every citizen thereof over the age of Eighteen (18) years shall have the right to select for himself one fourth of a section of land in one body, in a square form, to conform in boundaries to the legal surveys, anywhere in the tract of country hereinbefore described, except in Sections Sixteen (16) and Thirty-six (36) in each Congressional Township and said one quarter section of land where said Agency is located and said school section or other lands selected in lieu thereof.

The father of any child, or if the father be dead, the mother, shall have the right to select for each of his or her children, under Eighteen (18) years of age, one quarter section of land, in one body, in a square form, under the same restrictions, only as above provided for citizens over the age of Eighteen (18) years. If there shall be a child under Eighteen (18) years of age, and having neither father nor mother, then the agent for the time being, at said Sac and Fox Agency, shall select for such child the same amount of land, under the same restrictions and limitations, as are above provided for other children.

ARTICLE III. It is further agreed that when the allotments to the citizens of the Sac and Fox Nation are made, the Secretary of the Interior shall cause patents to issue therefor in the name of the allottees which patent shall be of the legal effect and declare that Eighty (80) acres of land to be designated and described by the allottee, his or her agent as above provided, at the time the allotment is being made, shall be held in trust by the United States of America, for the period of Twenty-five years, for the sole use and benefit of

the allottee, or his or her heirs, according to the laws of the State or Territory where the land is located; and that the other Eighty (80) acres shall be so held in trust by the United States of America for the period of five (5) years, or if the President of the United States will consent, for fifteen (15) years for like use and benefit; and that at the expiration of the said periods respectively the United States will convey the same by patent to said allottee, or his or her heirs as aforesaid, in fee, discharged of said trust and free from all incumbrances; *Provided*, that in no case shall a patent in fee be issued to a person who is an orphan at time allotment is made and un-married, until he or she shall have arrived at the age of Twenty-one (21) Years or shall marry. In order that the question of the age of any orphan allottee as aforesaid shall not be subject to future inquiry, it is agreed that the age of each orphan allottee, under the age of Twenty-one (21) years shall be fixed and ascertained by the person making the allotment and reported by him to the Department of the Interior and such report of the age of any allottee shall be held and deemed conclusive in carrying out this agreement.

ARTICLE IV. As a further and only additional consideration for the cession, conveyance, transfer, surrender and relinquishment of all title, claim and interest in and to the tract of land described in Article I hereof, the United States agrees to pay the Sac and Fox Nation, the Sum of Four Hundred and Eighty-five Thousand \$(485,000) Dollars: *Provided*, the entire number of allotments hereunder shall not exceed Five Hundred and Twenty-eight (528) and should the allotments exceed in number Five Hundred and Twenty eight (528) then there shall be deducted from said sum of Four Hundred and Eighty-five Thousand \$(485,000) Dollars, the sum of Two Hundred (\$200) Dollars for each allotment in excess of said number.

Said sum of Four Hundred and Eighty-five Thousand (\$485,000) Dollars shall be paid as follows: Three Hundred Thousand Dollars thereof shall be retained in the Treasury of the United States to the credit of the said Sac and Fox Nation, and bear interest at the rate of five per centum (5%) per annum—which interest shall become due and payable on the first day of March in each year.

Five thousand (\$5,000) Dollars thereof shall be paid to the United States Indian Agent at the Sac and Fox Agency, to be paid out and expended by him under the direction and authority of the National Council of the Sac and Fox Nation.

The residue of said sum of Four Hundred and Eighty-five Thousand Dollars shall be paid out in currency to the citizens of the said Sac and Fox Nation, per capita, at the Sac and Fox Agency in the Indian Territory, within three months after the ratification of this agreement by Congress, as follows: Each person over the age of Twenty-one years shall receive and receipt for his or her share thereof; each person that is married shall receive and receipt for his or her share thereof whether Twenty-one years of age or not.

The United States Indian Agent at the Sac and Fox Agency shall retain and pay out the share thereof, belonging to any insane or imbecile citizen of said Nation, for his or her sole use and benefit, either for necessary support or for the improvement of his or her land; the share thereof belonging to orphan children under Twenty-one years of age and un-married, shall be retained in the Treasury of the United States, until he or she shall marry or become Twenty-one years of age, when he or she shall be entitled to receive and receipt for the same at said Sac and Fox Agency, free of charge; or if the National Council shall at any time deem any orphan child capable of taking proper care of his or her money, said Council may make an order to that effect, upon which order being made the United States Indian Agent at said Sac and Fox Agency shall make requisition for such persons money, which at the ensuing annuity payment shall be paid to such person. It is the purpose and intention and agreement that

no part of this fund shall ever pass under the control of any guardian appointed by or acting under any State or Territorial authority.

It is further agreed that no part of said sum of Four Hundred and Eighty-five Thousand Dollars shall be applied in payment of any claim preferred against said Sac and Fox Nation, alleged to have accrued prior to the ratification of this agreement.

ARTICLE V. It is further agreed that the Department of the Interior, shall, as soon as practicable, after the ratification of this agreement by the Congress of the United States, send to said Sac and Fox Agency a competent corps of allotting agents and necessary assistants, to make, survey, designate and describe, the allotments herein provided for—who shall give a notice in writing to the principal Chief of the Sac and Fox Nation, that they are prepared and ready to proceed in making such allotments—and said Sacs and Foxes shall then have four months from the time of giving such notice to complete the taking of their allotments, and if, at the end of such period of four months, it shall be ascertained that any of the citizens of said nation, have failed or refused to take their said allotments, then, the United States Indian Agent, for the time being, at said Sac and Fox Agency, shall make selections for such persons, which shall have the same effect, as if such persons had made such selections for themselves. It is further agreed that as soon as such allotments are so made, and approved by the Department of the Interior, and the provisional patents herein-before provided for are issued, then the residue of said tract of country, shall, as far as said Sac and Fox Nation is concerned, become public lands of the United States, and under such restrictions as may be imposed by law, be subject to white settlement.

ARTICLE VI. It is further agreed that whenever any citizen of said Sac and Fox Nation shall have made and owns valuable improvements on any lands in said reservation, he or she shall have the preference over any other citizen of said Nation to take his or her allotments so as to embrace said improvements, provided they shall be limited as herein-before provided as to boundaries and area.

ARTICLE VII. It is further agreed that the beneficiaries of this agreement shall be limited to those persons whose names are now on the roll as Sacs and Foxes at the said Sac and Fox Agency; and those that may be born to them, and entitled by the laws and customs of said Sac and Fox Nation to go upon said roll before said allotments are made; and those that may be adopted into said Nation according to law by the National Council, before said allotments are made.

ARTICLE VIII. This agreement shall be in force and have effect from and after its ratification by the National Council of the Sac and Fox Nation and the Congress of the United States.

In witness whereof the said David H. Jerome, Alfred M. Wilson, and Warren G. Sayre, Commissioners on the part of the United States, have hereunto set their hands the day and year aforesaid, and the principal Chief and the First Assistant Principal Chief of the said Sac and Fox Nation have hereunto set their hand and the Seal of said Nation the day and year aforesaid.

And the Secretary of said Sac and Fox Nation now attests the same.

WALTER BATTICE,

Secretary of Sac & Fox Nation.

And,

Whereas David H. Jerome, Alfred M. Wilson, and Warren G. Sayre, duly appointed commissioners on the part of the United States, did, on the twentieth day of May eighteen hundred and ninety, conclude an agreement with the Iowa tribe of Indians residing on the Iowa Reservation, in the Territory of Oklahoma, formerly part of the Indian Territory, which said agreement is in words and figures as follows, to wit:

"Articles of agreement made and entered into on the twentieth day of May, in the year of our Lord, eighteen hundred and ninety, at the Iowa Village in what is known as the Iowa Reservation, in the Indian Territory, by David H. Jerome, Alfred M. Wilson, and Warren G. Sayre, Commissioners on the part of the United States, appointed for the purpose, and the Iowa tribe of Indians residing on said Reservation.

ARTICLE I.

The said Iowa Tribe of Indians, residing and having their homes thereon, upon the conditions hereinafter expressed, do hereby surrender and relinquish to the United States all their right, title, claim and interest in and to and over the following described tract of country in the Indian Territory, namely:

Beginning at the point where the Deep Fork of the Canadian River intersects the west boundary of the Sac and Fox Reservation; thence north along said west boundary to the south bank of the Cimarron River; thence up said Cimarron River to the Indian Meridian; thence south along said Indian Meridian to the Deep Fork of the Canadian River; thence down said Deep Fork to the place of beginning," set apart for the permanent use and occupation of the Iowa and such other Indians as the Secretary of the Interior may see fit to locate thereon, by Executive Order made and dated the fifteenth day of August, in the year of our Lord eighteen hundred and eighty-three.

ARTICLE II.

Each and every member of said Iowa Tribe of Indians shall be entitled to select and locate upon said Reservation or tract of Country eighty acres of land which shall be allotted to such Indian in severalty. No other restriction as to locality shall be placed upon such selections than that they shall be so located as to conform to the Congressional survey or subdivision of said tract of country, and any Indian having improvements may have the preference over any other Indian in and to the tract of land containing such improvements so far as they are within a legal subdivision not exceeding in area the quantity of land that he is entitled to select and locate.

Each member of said tribe of Indians over the age of eighteen years, shall select his or her land, and the father, or if he be dead the mother, shall select the land herein provided for, for each of his or her children who may be under the age of eighteen years, and if both father and mother of a child under eighteen years of age shall be dead, then the nearest of kin, over eighteen years of age and an Iowa Indian, shall select and locate his or her land—or if such person shall be without kindred as aforesaid, then the Commissioner of Indian Affairs, or some one by him authorized, shall select and locate the land of such child.

ARTICLE III.

That the allotments provided for in this Act shall be made at the cost of the United States by special agents appointed by the President for such purpose, under such rules and regulations as the Sec-

retary of the Interior may from time to time prescribe, and within sixty days after such special agent or agents shall appear upon said reservation and give notice to the acting and recognized chief of said Iowa Tribe of Indians, that he is ready to make such allotments; and if any one entitled to an allotment hereunder shall fail to make his or her selection within said period of sixty days, then such special agent shall proceed at once to make such selection for such person or persons—which shall have the same effect as if made by the person so entitled; and when all of said allotments are made and approved, then the residue of said reservation, except as hereinafter stated, shall, as far as said Iowa Indians are concerned, become public land of the United States.

ARTICLE IV.

Upon the approval of the allotments provided for herein by the Secretary of the Interior, he shall cause patents to issue therefor in the name of the allottees, which patents shall be of the legal effect and declare that the United States does and will hold the land thus allotted for the period of twenty-five years in trust for the sole use and benefit of the Indian to whom such allotment shall have been made, or in case of his or her decease, of his or her heirs or devisees according to the laws of the state or territory where such land is located, and that at the expiration of said period, the United States will convey the same by patent to said Indian or his heirs or devisees as aforesaid in fee, discharged of said trust and free of all incumbrance whatsoever.

And if any conveyance shall be made of the lands set apart and allotted, as herein provided, or any contract made touching the same, before the expiration of the time above mentioned such conveyance or contract shall be absolutely null and void.

And during said period of twenty-five years said lands, so allotted and the improvements thereon shall not be subject to taxation for any purpose by any State or Territory or any municipal subdivision thereof nor subject to be seized upon any execution or other mesne or final process issued out of any court of any State or Territory, and shall never be subject to be seized or sold upon any execution or other mesne or final process issued out of any court of any State or Territory upon any judgment rendered upon any debt or liability incurred, the consideration of which, immediate or remote passed prior to the expiration of said period of twenty-five years. And the law of descent and partition in force in the State or Territory where such lands are situated shall apply thereto.

ARTICLE V.

There shall be excepted from the operation of this agreement a tract of land, not exceeding ten acres in a square form, including the church and school house and grave-yard at or near the Iowa village, and ten acres of land shall belong to said Iowa tribe of Indians in common so long as they shall use the same for religious, educational, and burial purposes for their said Tribe—but whenever they shall cease to use the same for such purposes for their Tribe, said tract of land shall belong to the United States.

ARTICLE VI.

When all the allotments are made as aforesaid, the United States, under the direction of the Commissioner of Indian Affairs will expend for said Iowa tribe of Indians described herein as beneficiaries of this agreement for improving their said land, for building houses,

providing for said Indians breeding animals, agriculture implements, and seeds, the sum of Twenty-four thousand dollars—*provided*, that said sum shall be paid out as nearly equally per capita as may be, the father, or, if he be dead, the mother, to act for their children under the age of eighteen years—and the Commissioner of Indian Affairs in his own discretion to act for orphan children under the age of eighteen years.

ARTICLE VII.

As a further and only additional consideration for such surrender and relinquishment of title, claim, right and interest, as aforesaid, the United States will pay to said Iowa Indians, the beneficiaries of this agreement, per capita, Three Thousand and Six Hundred Dollars per annum, payable semi-annually, for the first five years after this agreement shall take effect; Three Thousand Dollars per annum payable semi-annually, for the second five years after this agreement shall take effect; Two thousand and Four Hundred Dollars per annum, payable semi-annually for the third five years after this agreement shall take effect; One Thousand Eight Hundred Dollars per annum payable semi-annually, for the fourth five years after this agreement shall take effect, and One Thousand Two Hundred Dollars per annum, payable semi-annually, for the fifth five years after the agreement shall take effect. In all such payments each person over the age of eighteen years shall receive and receipt for his or her share, and the father, or, if he be dead, the mother, of any person entitled, who is under the age of eighteen years, shall receive and receipt for his or her share; and when both father and mother of such person be dead, the person, if an Iowa Indian, with whom such person makes his home, shall receive and receipt for such persons shares; otherwise, it shall be paid to the Indian Agent of the said Iowa Indians for the use of such orphan.

ARTICLE VIII.

It is hereby expressly agreed and understood that nothing herein contained shall in any manner affect any other claim not mentioned herein that said Iowa Tribe of Indians have against the United States; nor shall this agreement in any manner affect any interest that said tribe or its members may have in any reservation of land outside of the Indian Territory, nor shall this agreement in any manner affect any annuities or payments, principal or interest due, to said tribe or its members by existing laws or treaties with the United States.

ARTICLE IX.

William Tohee, the chief of the Iowas, is incurably blind and helpless, and has a wife, Maggie Tohee, an Iowa Woman, but by whom William has no child. William is not only helpless but requires and receives the constant care and attention of Maggie, so that neither can give attention to matters of business or labor, or devote their time or energy to procuring a living. Therefore it is mutually agreed in addition to the provisions hereinbefore made for the Iowas, including said William and Maggie, that the United States will pay out to or for the use of said William, under the direction of the Commissioner of Indian Affairs, the sum of Three Hundred and Fifty Dollars. Because of the relation between the said William and Maggie and the care that he requires of her, and that she bestows upon him, it is agreed that the patents to them creating the trust in the United States for them for the period of twenty-five years, shall further recite and provide that in event of the death of either said William or Maggie during said period of twenty-five years—then the possession

and use of the lands allotted to both shall be in the survivor and patents for the land allotted to both shall issue to the survivor, discharged of the said trust at the expiration of the said twenty-five years, provided said parties shall be living together as man and wife until the death of either.

ARTICLE X.

This agreement shall be in force from and after its approval by the Congress of the United States.

In witness whereof, we have hereunto set our hands and seals the day and the year first above written.

SEC. 7. That all judgments of said court shall be a final determination of the causes decided and of the rights and obligations of the parties thereto, and shall not thereafter be questioned unless a new trial or rehearing shall be granted by said court, or the judgment reversed or modified upon appeal as hereafter provided.

SEC. 8. That immediately after the beginning of each session of Congress the Attorney-General of the United States shall transmit to the Congress of the United States a list of all final judgments rendered in pursuance of this act, in favor of claimants and against the United States, and not paid as hereinbefore provided, which shall thereupon be appropriated for in the proper appropriation [appropriation] bill.

ury, in payment of such judgments, shall be made payable and delivered only to the claimant or his lawful heirs, executors or administrators or transferee under administrative proceedings, except so much thereof as shall be allowed the claimant's attorneys by the court for prosecuting said claim, which may be paid direct to such attorneys, and the allowances to the claimant's attorneys shall be regulated and fixed by the court at the time of rendering judgment in each case and entered of record as part of the findings thereof; but in no case shall the allowance exceed fifteen per cent of the judgment recovered, except in case of claims of less amount than five hundred dollars, or where unusual services have been rendered or expenses incurred by the claimant's attorney, in which case not to exceed twenty per cent of such judgment shall be allowed by the court.

SEC. 10. That the claimant, or the United States, or the tribe of Indians, or other party thereto interested in any proceeding brought under the provisions of this act, shall have the same rights of appeal as are or may be reserved in the Statutes of the United States in other cases, and upon the conditions and limitations therein contained. The mode of procedure in claiming and perfecting an appeal shall conform, in all respects, as near as may be, to the statutes and rules of court governing appeals in other cases.

SEC. 11. That all papers, reports, evidence, records and proceedings now on file or of record in any of the departments, or the office of the Secretary of the Senate, or the office of the Clerk of the House of Representatives, or certified copies of the same, relating to any claims authorized to be prosecuted under this act, shall be furnished to the proper court upon its order, or at the request of the Attorney-General.

By the act to amend an act entitled "An act to regulate commerce," approved February fourth, eighteen hundred and eighty-seven.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That section twelve of an act entitled "An act to regulate commerce," approved February fourth, eighteen hundred and eighty-seven, be, and it is hereby, amended so as to read as follows:

"SEC. 12. That the Commission hereby created shall have authority to inquire into the management of the business of all common carriers subject to the provisions of this act, and shall keep itself informed as to the manner and method in which the same is conducted, and shall have the right to obtain from such common carriers full and complete information necessary to enable the Commission to perform the duties and carry out the objects for which it was created; and the Commission is hereby authorized and required to execute and enforce the provisions of this act; and, upon the request of the Commission, it shall be the duty of any district attorney of the United States to whom the Commission may apply to institute in the proper court and to prosecute under the direction of the Attorney-General of the United States all necessary proceedings for the enforcement of the provisions of this act and for the punishment of all violations thereof, and the costs and expenses of such prosecution shall be paid out of the appropriation for the expenses of the courts of the United States; and for the purposes of this act the Commission shall have power to require, by subpoena, the attendance and testimony of witnesses and the production of all books, papers, tariffs, contracts, agreements, and documents relating to any matter under investigation.

"Such attendance of witnesses, and the production of such documentary evidence, may be required from any place in the United States, at any designated place of hearing. And in case of disobedience to a subpoena the Commission, or any party to a proceeding before the Commission, may invoke the aid of any court of the United States in requiring the attendance and testimony of witnesses and the production of books, papers, and documents under the provisions of this section.

"And any of the circuit courts of the United States within the jurisdiction of which such inquiry is carried on may, in case of contumacy or refusal to obey a subpoena issued to any common carrier subject to the provisions of this act, or other person, issue an order requiring such common carrier or other person to appear before said Commission (and produce books and papers if so ordered) and give evidence touching the matter in question; and any failure to obey such order of the court may be punished by such court as a contempt thereof. The claim that any such testimony or evidence may tend to criminate the person giving such evidence shall not excuse such witness from testifying; but such evidence or testimony shall not be used against such person on the trial of any criminal proceeding.

"The testimony of any witness may be taken, at the instance of a party, in any proceeding or investigation depending before the Commission, by deposition, at any time after a cause or proceeding is at issue on petition and answer. The Commission may also order testimony to be taken by deposition in any proceeding or investigation pending before it, at any stage of such proceeding or investigation. Such depositions may be taken before any judge of any court of the United States, or any commissioner of a circuit, or any clerk of a district or circuit court, or any chancellor, justice, or judge of a supreme or superior court, mayor or chief magistrate of a city, judge of a county court, or court of common pleas of any of the United States, or any notary public, not being of counsel or attorney to

either of the parties, nor interested in the event of the proceeding or investigation. Reasonable notice must first be given in writing by the party or his attorney proposing to take such deposition to the opposite party or his attorney of record, as either may be nearest, which notice shall state the name of the witness and the time and place of the taking of his deposition. Any person may be compelled to appear and depose, and to produce documentary evidence, in the same manner as witnesses may be compelled to appear and testify and produce documentary evidence before the Commission as hereinbefore provided.

"Every person deposing as herein provided shall be cautioned and sworn (or affirm, if he so request) to testify the whole truth, and shall be carefully examined. His testimony shall be reduced to writing by the magistrate taking the deposition, or under his direction, and shall, after it has been reduced to writing, be subscribed by the deponent.

"If a witness whose testimony may be desired to be taken by deposition be in a foreign country, the deposition may be taken before an officer or person designated by the Commission, or agreed upon by the parties by stipulation in writing to be filed with the Commission. All depositions must be promptly filed with the Commission."

Witnesses whose depositions are taken pursuant to this act, and the magistrate or other officer taking the same, shall severally be entitled to the same fees as are paid for like services in the courts of the United States.

Approved, February 10, 1891.

By the act to establish circuit courts of appeals and to define and regulate in certain cases the jurisdiction of the courts of the United States, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That there shall be appointed by the President of the United States, by and with the advice and consent of the Senate, in each circuit an additional circuit judge, who shall have the same qualifications, and shall have the same power and jurisdiction therein that the circuit judges of the United States, within their respective circuits, now have under existing laws, and who shall be entitled to the same compensation as the circuit judges of the United States in their respective circuits now have.

SEC. 2. That there is hereby created in each circuit a circuit court of appeals, which shall consist of three judges, of whom two shall constitute a quorum, and which shall be a court of record with appellate jurisdiction, as is hereafter limited and established. Such court shall prescribe the form and style of its seal and the form of writs and other process and procedure as may be conformable to the exercise of its jurisdiction as shall be conferred by law. It shall have the appointment of the marshal of the court with the same duties and powers under the regulations of the court as are now provided for the marshal of the Supreme Court of the United States, so far as the same may be applicable. The court shall also appoint a clerk, who shall perform and exercise the same duties and powers in regard to all matters within its jurisdiction as are now exercised and performed by the clerk of the Supreme Court of the United States, so far as the same may be applicable. The salary of the marshal of the court shall be twenty-five hundred dollars a year, and the salary of the clerk of the court shall be three thousand dollars a year, to be paid in equal proportions quarterly. The costs and fees in the Supreme Court now provided for by law shall be costs and fees in the circuit courts of appeals; and the same shall be

expended, accounted for, and paid for, and paid over to the Treasury Department of the United States in the same manner as is provided in respect of the costs and fees in the Supreme Court.

The court shall have power to establish all rules and regulations for the conduct of the business of the court within its jurisdiction as conferred by law.

SEC. 3. That the Chief-Justice and the associate justices of the Supreme Court assigned to each circuit, and the circuit judges within each circuit, and the several district judges within each circuit, shall be competent to sit as judges of the circuit court of appeals within their respective circuits in the manner hereinafter provided. In case the Chief-Justice or an associate justice of the Supreme Court should attend at any session of the circuit court of appeals he shall preside, and the circuit judges in attendance upon the court in the absence of the Chief-Justice or associate justice of the Supreme Court shall preside in the order of the seniority of their respective commissions.

In case the full court at any time shall not be made up by the attendance of the Chief-Justice or an associate justice of the Supreme Court and circuit judges, one or more district judges within the circuit shall be competent to sit in the court according to such order or provision among the district judges as either by general or particular assignment shall be designated by the court: *Provided*, That no justice or judge before whom a cause or question may have been tried or heard in a district court, or existing circuit court, shall sit on the trial or hearing of such cause or question in the circuit court of appeals. A term shall be held annually by the circuit court of appeals in the several judicial circuits at the following places: In the first circuit, in the city of Boston; in the second circuit, in the city of New York; in the third circuit, in the city of Philadelphia; in the fourth circuit, in the city of Richmond; in the fifth circuit, in the city of New Orleans; in the sixth circuit, in the city of Cincinnati; in the seventh circuit, in the city of Chicago; in the eighth circuit, in the city of Saint Louis; in the ninth circuit, in the city of San Francisco; and in such other places in each of the above circuits as said court may from time to time designate. The first terms of said courts shall be held on the second Monday in January, eighteen hundred and ninety-one, and thereafter at such times as may be fixed by said courts.

SEC. 4. That no appeal, whether by writ of error or otherwise, shall hereafter be taken or allowed from any district court to the existing circuit courts, and no appellate jurisdiction shall hereafter be exercised or allowed by said existing circuit courts, but all appeals by writ of error otherwise, from said district courts shall only be subject to review in the Supreme Court of the United States or in the circuit court of appeals hereby established, as is hereinafter provided, and the review, by appeal, by writ of error, or otherwise, from the existing circuit courts shall be had only in the Supreme Court of the United States or in the circuit courts of appeals hereby established according to the provisions of this act regulating the same.

SEC. 5. That appeals or writs of error may be taken from the district courts or from the existing circuit courts direct to the Supreme Court in the following cases:

In any case in which the jurisdiction of the court is in issue; in such cases the question of jurisdiction alone shall be certified to the Supreme Court from the court below for decision.

From the final sentences and decrees in prize causes.

In cases of conviction of a capital or otherwise infamous crime.

In any case that involves the construction or application of the Constitution of the United States.

In any case in which the constitutionality of any law of the United

States, or the validity or construction of any treaty made under its authority, is drawn in question.

In any case in which the constitution or law of a State is claimed to be in contravention of the Constitution of the United States.

Nothing in this act shall affect the jurisdiction of the Supreme Court in cases appealed from the highest court of a State, nor the construction of the statute providing for review of such cases.

SEC. 6. That the circuit courts of appeals established by this act shall exercise appellate jurisdiction to review by appeal or by writ of error final decision in the district court and the existing circuit courts in all cases other than those provided for in the preceding section of this act, unless otherwise provided by law, and the judgments or decrees of the circuit courts of appeals shall be final in all cases in which the jurisdiction is dependent entirely upon the opposite parties to the suit or controversy, being aliens and citizens of the United States or citizens of different States; also in all cases arising under the patent laws, under the revenue laws, and under the criminal laws and in admiralty cases, excepting that in every such subject within its appellate jurisdiction the circuit court of appeals at any time may certify to the Supreme Court of the United States any questions or propositions of law concerning which it desires the instruction of that court for its proper decision. And thereupon the Supreme Court may either give its instruction on the questions and propositions certified to it, which shall be binding upon the circuit courts of appeals in such case, or it may require that the whole record and cause may be sent up to it for its consideration, and thereupon shall decide the whole matter in controversy in the same manner as if it had been brought there for review by writ of error or appeal.

And excepting also that in any such case as is hereinbefore made final in the circuit court of appeals it shall be competent for the Supreme Court to require, by certiorari or otherwise, any such case to be certified to the Supreme Court for its review and determination with the same power and authority in the case as if it had been carried by appeal or writ of error to the Supreme Court.

In all cases not hereinbefore, in this section, made final there shall be of right an appeal or writ of error or review of the case by the Supreme Court of the United States where the matter in controversy shall exceed one thousand dollars besides costs. But no such appeal shall be taken or writ of error sued out unless within one year after the entry of the order, judgment, or decree sought to be reviewed.

SEC. 7. That where, upon a hearing in equity in a district court, or in an existing circuit court, an injunction shall be granted or continued by an interlocutory order or decree, in a cause in which an appeal from a final decree may be taken under the provisions of this act to the circuit court of appeals, an appeal may be taken from such interlocutory order or decree granting or continuing such injunction to the circuit court of appeals: *Provided*, That the appeal must be taken within thirty days from the entry of such order or decree, and it shall take precedence in the appellate court; and the proceedings in other respects in the court below shall not be stayed unless otherwise ordered by that court during the pendency of such appeal.

SEC. 8. That any justice or judge, who, in pursuance of the provisions of this act, shall attend the circuit court of appeals held at any place other than where he resides shall, upon his written certificate, be paid by the marshal of the district in which the court shall be held his reasonable expenses for travel and attendance, not to exceed ten dollars per day, and such payments shall be allowed the marshal in the settlement of his accounts with the United States.

SEC. 9. That the marshals of the several districts in which said circuit court of appeals may be held shall, under the direction of the

Attorney-General of the United States, and with his approval, provide such rooms in the public buildings of the United States as may be necessary, and pay all incidental expenses of said court, including criers, bailiffs, and messengers: *Provided, however,* That in case proper rooms can not be provided in such buildings, then the said marshals, with the approval of the Attorney-General of the United States, may, from time to time, lease such rooms as may be necessary for such courts. That the marshals, criers, clerks, bailiffs, and messengers shall be allowed the same compensation for their respective services as are allowed for similar services in the existing circuit courts.

SEC. 10. That whenever on appeal or writ of error or otherwise a case coming directly from the district court or existing circuit court shall be reviewed and determined in the Supreme Court the cause shall be remanded to the proper district or circuit court for further proceedings to be taken in pursuance of such determination. And whenever on appeal or writ of error or otherwise a case coming from a circuit court of appeals shall be reviewed and determined in the Supreme Court the cause shall be remanded by the Supreme Court to the proper district or circuit court for further proceedings in pursuance of such determination. Whenever on appeal or writ of error or otherwise a case coming from a district or circuit court shall be reviewed and determined in the circuit court of appeals in a case in which the decision in the circuit court of appeals is final such cause shall be remanded to the said district or circuit court for further proceedings to be there taken in pursuance of such determination.

SEC. 11. That no appeal or writ of error by which any order, judgment, or decree may be reviewed in the circuit courts of appeals under the provisions of this act shall be taken or sued out except within six months after the entry of the order, judgment, or decree sought to be reviewed: *Provided however,* That in all cases in which a lesser time is now by law limited for appeals or writs of error such limits of time shall apply to appeals or writs of error in such cases taken to or sued out from the circuit courts of appeals. And all provisions of law now in force regulating the methods and system of review, through appeals or writs of error, shall regulate the methods and system of appeals and writs of error provided for in this act in respect of the circuit courts of appeals, including all provisions for bonds or other securities to be required and taken on such appeals and writs of error, and any judge of the circuit courts of appeals, in respect of cases brought or to be brought to that court, shall have the same powers and duties as to the allowance of appeals or writs of error, and the conditions of such allowance, as now by law belong to the justices or judges in respect of the existing courts of the United States respectively.

SEC. 12. That the circuit court of appeals shall have the powers specified in section seven hundred and sixteen of the Revised Statutes of the United States.

SEC. 13. Appeals and writs of error may be taken and prosecuted from the decisions of the United States court in the Indian Territory to the Supreme Court of the United States, or to the circuit court of appeals in the eighth circuit, in the same manner and under the same regulations as from the circuit or district courts of the United States, under this act.

SEC. 14. That section six hundred and ninety-one of the Revised Statutes of the United States and section three of an act entitled "An act to facilitate the disposition of cases in the Supreme Court, and for other purposes," approved February sixteenth, eighteen hundred and seventy-five, be, and the same are hereby repealed. And all acts and parts of acts relating to appeals or writs of error inconsistent with the provisions for review by appeals or writs of error in the preceding sections five and six of this act are hereby repealed.

SEC. 15. That the circuit court of appeal in cases in which the judgments of the circuit courts of appeal are made final by this act shall have the same appellate jurisdiction, by writ of error or appeal, to review the judgments, orders, and decrees of the supreme courts of the several Territories as by this act they may have to review the judgments, orders, and decrees of the district court and circuit courts; and for that purpose the several Territories shall, by orders of the Supreme court, to be made from time to time, be assigned to particular circuits.
